our recommended accommodation is on the map  
approx. 4 minutes walk to the venue.

# 2.1 CAZ CHARGE - CLEAN AIR ZONE

Bradford has a Class C+ Clean Air Zone.

Passenger cars will not be charged to drive in the Bradford Clean Air Zone. There will be charges for all non-compliant vehicle types.

You can use the government website by [clicking here](#), to check whether charges will apply to your vehicle in Bradford.

## **Pay a CAZ charge**

Payment must be made online at [www.gov.uk/clean-air-zones](http://www.gov.uk/clean-air-zones) or by calling the National Contact Centre on [0300 029 8888](tel:03000298888) (Monday to Friday, 8am to 8pm, and Saturday, 8am to 4pm).

You can pay 6 days before the day of your visit, on the day of your visit or up to 6 days after the day of your visit.

A 'day' is classified as midnight to midnight, not 24 hours from when you enter the zone. During that midnight to midnight timeframe, you can enter and leave the zone numerous times and only incur a single charge. However if you cross the midnight threshold you will be charged for two days.

You will not receive a notification or alert advising you that you have entered the zone and payment is due; you as a driver are fully responsible for understanding and managing all payments.

You will receive a £120 penalty charge plus the road user charge if you drive a non-compliant vehicle in the Bradford CAZ and fail to pay any daily charge due within the payment window.
